**Notes**

1. This Plan is based on an Aerial Survey performed by Stantec Consulting Services, Inc., flown on February 24, 2009. Storm Drain detail verified by ground Survey in August of 2009.
2. BM= 10.27 = Nail Set in front of Administration Building 12 as shown on Plan. Vertical Datum is USGS NAVD 1988.
3. Utility information from surface evidence observed in the field, together with reference plans. All utility locations and depths shall be field verified prior to Construction.
4. Based on Flood Insurance Rate Map 1003C0160J, A portion of this parcel lies within Zone "AE"; Base Flood Elevation Determined at Elevation 9, (NAVD 1988); a portion lies within the Zone "X" defined as areas of 0.2% annual chance flood (see flood map for additional notes) and a portion lies within the Zone "X" defined as areas outside the 0.02 % chance of floodplain, from Map Dated January 17, 2007.
